

Pre- School Email

As previously mentioned in communication we would be re-introducing everyone in a phased return. Due to the current guidance and information we have on offer, we feel that we have had to make the decision that our Pre-School (mini & Junior) classes must be the last to return. We understand these classes are slightly more complex with regard to the needs of each child and we need more time to be prepared for, we are aware they will need support and assistance during the session, socially distancing is going to be harder for them to learn. We have taken the decision to hold off and wait till minimum of September before we introduce them back to the time table.

We would like you to still pay the £5 if your current circumstance allows this. When you return, we will take off what you have paid for your fee's. It will be a reduced payment for a few months to cater for the payments you have made during lockdown.

Please still view our video on Facebook or our website to see how we will be bringing the gymnast back, it goes with the PowerPoint we sent back in late June. We look forward to seeing you all in the gym in due course.
