

Maja's National Finals

(April 2010)

Harlequin gymnast Maja Austin took part in the Grade 6 National Finals this weekend in Birmingham as part of the East Team. The top 50 gymnasts in the country at Grade 6 were competing both for individual and team success.

Starting on bars she scored 10.350 before moving to beam where she achieved a score of 10.850. Her 3rd piece of apparatus was the floor where a steady and confident routine saw her gain a mark of 11.150 before finishing on the vault with her best score of the day 12.350.

This meant that she finished with an overall mark of 44.700 to take 28th place, only 4 marks behind the winner in an extremely strong competition. Maja's performance also helped the East team to take 6th place out of 13 teams.

This is an excellent achievement both for Maja and her coaches Nikki and Leah and we finally would like to say a massive well done to Maja on her success.
