

## Harlequin School of Gymnastics TeamGym March 2020

Saturday 14th March saw Harlequins Junior TeamGym gymnasts compete at the Southern TeamGym qualifier in Burgess Hill. Competing on Tumble and then Trampoline and Vault, the girls were up against 10 other teams with the hope of qualifying to this year's British Championships.

Starting on tumble, the team showed a really strong performance to score 13.45 which was the top score of the competition. They finished off their competition on Trampoline and Vault with another strong performance which gave them a total score of 25.7 securing the gold medal in the Women's category.

This is a great result for the team against the best teams in the south. We now wait to see if they have qualified to the British Championships later in the year.
