

Harlequin Girls 6th in the country at Primary Teamgym Championships.

The Harlequin girls took part in the National Championships for Teamgym at Stoke On Trent. They came 2nd on tumble scoring 13.65, 4th on trampet scoring 12.6, 6th on floor scoring 14.083 and overall 6th place scoring 40.33. They competed against 12 teams from the whole of the Country. This is an extra discipline for the girls as they compete mainly at artistic and tumbling, so to come this high in a National competition is a tremendous achievement. Well done to the girls and their coaches!
