### GENERAL NEWS AND INFORMATION

**Car Park:** Please pick up all gymnasts from inside the building. We do not allow any gymnasts to walk out into the carpark alone. It is very dangerous. Also it gives us a chance to catch you if we need to discuss anything. Please be aware that we are only allowed the parking in front of the building and in the car park to the side. Please do not park on any other companies parking areas. They get very cross.

**Late Attending:** We understand there may be a variety of reasons why gymnasts are late attending sessions. However, please can all parents try to get gymnasts to their classes on time. If they are late, it is disruptive to the session and when gymnasts are not physically and mentally prepared accidents can happen.

**Changing Rooms:** Please do not leave valuables in there. We cannot be held responsible for anything that goes missing. Our lost property box is always full. Also please be aware that the changing rooms are unisex. Please use the toilets provided to get changed for extra privacy or attend sessions already dressed. Thank you.

**REMINDER:** following British Gymnastics rules, parents and guardians are **NOT** allowed in the gym at any time. Thank you for your co-operation.
