General Data Protection Regulation (GDPR)

New legislation called the General Data Protection Regulation (GDPR) is now in place and set to become adopted by UK law. All companies and businesses within the UK and the EU will have until May 2018 to ensure they are compliant with the new regulation. Superseding the Data Protection Act (1998), it affects how organisations obtain, use and retain their data in their day to day work.

With this in mind, our governing body; **British Gymnastics** has changed the way you are able to register your child for their membership which includes their insurance for gymnastics training. Within the first 2 weeks of joining, you must register your child via the British Gymnastics website in order to continue training at Harlequin. Without it, unfortunately, we are unable to accept your child as they will not have valid membership or insurance. Harlequin will only hold data on our system which we need to enable us to process your child(ren) classes, payment and pass on information.

The Paysubsonline.com team have been working with a certified data practitioner to ensure our system and internal processes supports us with the compliance of the new GDPR.

DROPPING & PICKING UP OFF CHILDREN

It has come to our attention that some children are being dropped off early for their gymnastics class. Can I remind you that our **Duty of Care** is from the time they are recorded on the register. Please do not leave your child in the building unsupervised, if we need to evacuate for any reason we are only aware of the gymnasts who have signed in, therefore you are still responsible for them.

I must also point out that when your child's session finishes you must come in and collect them, we will not allow them to leave unattended or with another child under the age of 18 years. If you child is old enough to walk home we will only allow this to happen if we have written consent from their parent / guardian.

We apologise if you think this unnecessary but we have a 'Duty of Care' for your children.

Development Competition

On Sunday 8th April 2018, 9 young gymnasts aged between 4 and 6 years old, turned up to Harlequin looking amazing in their leotards. This was their first time that any of them had taken part in any kind of competition. These gymnasts worked so hard, working skills that were very new to them. They were invited to participate in a friendly grades competition open to all aspiring development gymnasts to help them gain vital competition experience. We were very proud of how they performed around the competition, and their faces were a picture with big smiles, cheering on the others, it was so lovely to see.

Due to the skills and the short time they had to learn them, we placed them where we felt they would perform and feel comfortable. All the gymnasts competed the vault, 3 competed the Bar and 5 competed the Range & Conditioning.

Isabella Koci	– Vault 12.40
Maddie Lee	– Vault 12.30, Bar 12.05 and R&C 10.80
Lauren Hill	– Vault 12.10, Bar 12.00 and R&C 10.90
Gracie Benson	– Vault 11.70, Bar 10.50
Ilithya Housden	– Vault 11.60
Amelia Miles	– Vault 11.20 and R&C 10.00
Cassius Frecklton	– Vault 11.60
Jayden Finch	– Vault 12.70 and R&C 10.10

A few of the above gymnasts have been selected to trial within our Development groups, Amy and I wish them all the very best and look forward to seeing them compete in future competitions. The remaining gymnasts will keep working these skills and hopefully they will follow the same route.

Huge congratulations to all the gymnast who took part.
