GYM UPDATES

We would like to thank everyone that has continuously been supporting the club at this difficult time. Our squad gymnasts have now been back in the gym for 1 week now and have enjoyed being back. They have been fantastic with the new measures; we are looking forward to our Over 5's Classes and Trampolining returning

Hands up if your,
ready!!

**Thank
YOU!**

SQUAD UPDATES

We are amazed at how brilliant you all have been during your first week back at the gym. You have achieved so much and adapted to the new measures very well.

Parent info:

- Gymnasts must come gym ready
- No earrings
- No extra clothing
- Any artistic equipment (paralettes, rollers, weights, elastics, gloves & loops)
- Acro equipment – Blocks & weights
- Named Drinks bottle
- Extra hairbands (in case of snapping)
-

All the above equipment needs to come in a box, it can have a lid or not, but ALL equipment must come in that box without a bag inside the box. We are doing our bit to reduce contamination and contact with things from the outside.

If you could sanitize (soap & water) all equipment each night they come home,
